

Bridging loans explained: All your questions answered - TAB U Podcast - S1 E2 - #TABUniversity

Podcasts

06.04.21

Join Duncan, Katrina and Nick for TAB University Podcast. They are discussing the top five questions you've been asking about bridging loans.

1. What is a bridge loan?
2. How does a bridge loan work?
3. Who can get a bridging loan?
4. How much would a bridging loan cost?
5. What type of properties can I secure against a bridging loan?

Capital is at risk. Property values can go down as well as up. Borrowers may default and investments may not perform as expected. Interest and income are not guaranteed. Returns may vary. You should not invest more than you can afford to lose. TAB is not authorised by the Financial Conduct Authority. Investments are not regulated and you will have no access to the Financial Services Compensation Scheme (FSCS) or the Financial Ombudsman Service (FOS). Past performance and forecasts are not reliable indicators of future results and should not be relied on. Forecasts are based on TAB's own internal calculations and opinions and may change. Investments are illiquid. Once invested, you are committed for the full term. Tax treatment depends on individual circumstances and may change.

You are advised to obtain appropriate tax or investment advice where necessary. Understand more about the key risks [here](#).

TAB is a trading name of TAB London Limited. Registered in England and Wales with registration number: 11225821 and whose registered office is at 101 New Cavendish Street, London W1W 6XH.
