

The ultimate guide to property trading - TAB University S4E5

Podcasts

15.05.23

Welcome to the latest episode of TAB University podcast! Host Katrina Hindley is joined by Sam Morris and special guest Joel Shields from PSJ Property, a company that buys real estate throughout the UK and adds value via planning or asset management to then sell back into the market or add to their growing portfolio.

In this episode, we will be running through all the ins and outs of property trading and will be answering five key questions to help you understand the world of property trading.

Tune in as we explore property trading and uncover everything you need to know about this industry. The top five questions asked are:

1. What is property trading?
2. What is the difference between being a property trader and a property investor?
3. What types of property would you buy and sell?
4. How is a property trader different from an estate agent?
5. How did you get into property trading?
