Module three: **Market analysis**

conditions:

analysis and research

Market

Why is market analysis crucial?

Identify potential opportunities:

Tools and resources for market research

Balance quantitative and qualitative analysis:
Combine online platforms with local insights for deeper market understanding.

Online platforms:
Use Rightmove, Zoopla, OnTheMarket for scouting, comparing prices. Consider Property Data and Relays for extra insights.

Government data:
Access census,
employment, land registry
data for demographics,
trends, stability.

Identifying areas for investment

Population growth:

2023 property market

Service charges: High due to inflation and fire safety, dampening apartment block sales.

4.

Understanding property cycles

Property cycles and economic factors:

This article is for information only and to provide people with tips and insights into property investment. It does not constitute advice or a personal recommendation.

Capital is at risk. Property values can go down as well as up. Borrowers may default and investments may not perform as expected. Interest and income are not guaranteed. Returns may vary. You should not invest more than you can afford to lose. TAB is not authorised by the Financial Conduct Authority. Investments are not regulated and you will have no access to the Financial Services Compensation Scheme (FSCS) or the Financial Ombudsman Service (FOS). Past performance and forecasts are not reliable indicators of future results and should not be relied on. Forecasts are based on TAB's own internal calculations and opinions and may change. Investments are illiquid. Once invested, you are committed for the full term. Tax treatment depends on individual circumstances and may change.

You are advised to obtain appropriate tax or investment advice where necessary. Understand more about the key risks here.

TAB is a trading name of TAB London Limited. Registered in England and Wales with registration number: 11225821 and whose registered office is at 101 New Cavendish Street, London W1W 6XH.
